

Registering CPT Code Search (Medisoft v26 and above)

1. Click the 'Lists' Menu -> 'Procedure/Payment/Adjustment Codes'

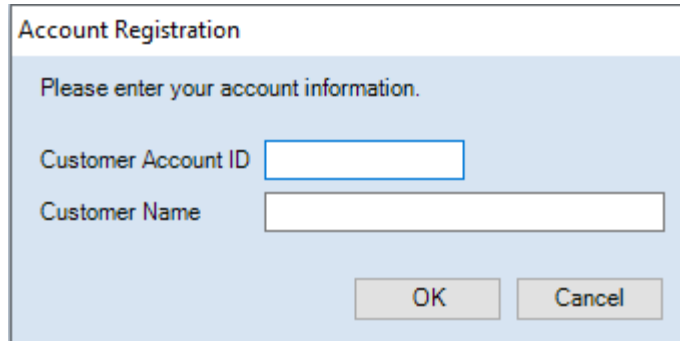

2. Click 'New' at the bottom of the next window

3. Click 'Find CPT'

4. Enter the 'Customer Account ID' and 'Customer Name' exactly as you received it from AZCOMP

Account Registration

Please enter your account information.

Customer Account ID

Customer Name

OK Cancel

NOTE: If using Medisoft v25 or below, follow steps below to activate/register the CPT Codes:

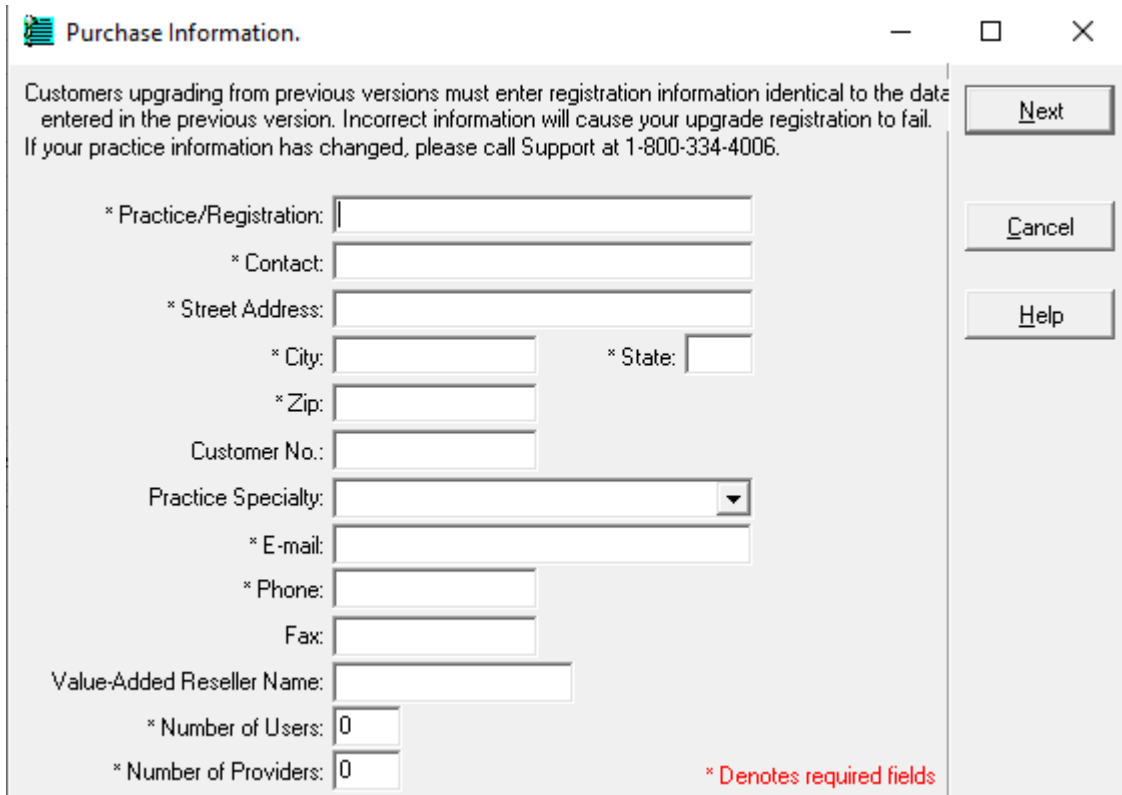

1. Click 'Register Now'

2. Select 'Register'

3. Enter Registration details as you received from AZCOMP. Note, 'Practice/Registration' needs to be exact.

Purchase Information.

Customers upgrading from previous versions must enter registration information identical to the data entered in the previous version. Incorrect information will cause your upgrade registration to fail. If your practice information has changed, please call Support at 1-800-334-4006.
